

RITUAL OF LIGHT

Responsive Reading:

One: Spirit of Life, in and around us, we are gathered together, each with our own hopes and dreams, fears and wounds.

Many: In this community and beyond, let us be gentle with one another.

One: Who of us can look inside another and know what is there - hope and hurt, or promise and pain?

Many: In this community and beyond, let us be gentle with one another.

One: At times the fabric of our interdependent web of life is stretched - even torn.

Many: In this community and beyond, let us be gentle with one another.

One: May we know when it is time to listen and when it is time to speak.

Many: In this community and beyond, let us be gentle with one another.

One: We all are in need of strength and courage, comfort and encouragement, love and acceptance.

Many: In this community and beyond, let us be gentle with one another.

One: Light will flood through the cracks and tears in our being when we are gentle with one another.

Many: Spirit of Life, in and around us, we feel the gentleness of your embrace. The Spirit of Hope, comfort and love is within us, within this community. May we share the warmth of your embrace. May it be so.
