

Racial Justice Resources – February 2021

The Racial Justice Team has been charged with providing concrete examples and practices to show the way for the broader Judson community to “make the beloved community a reality.” Our intent is to provide a range of educational, reflective, and action-oriented practices monthly. Past suggestions from our previous Resource lists can be found on the Judson Website under the ACT tab: JudsonChurch.org [ctrl click].

February Message from the Racial Justice Resource Editors:

February is Black History Month, and we’re doing something different. Thanks to the amazing work of Racial Justice Team member, Jean Hayes, we now have a curated list of all nine of our past resource lists. The link below will take you to the curated summary with a few additions of articles on Race and Climate (personally recommended by Jean), and a new movie offering from your Resource editors.

We hope you will appreciate having these resources in one place.

Categories included in the summary:

- Articles
- Articles Specific to Race and Climate
- TV series/specials
- Podcasts and YouTubes
- Films
- Non-fiction Books and Memoirs
- Novels
- Books for Children and Youth
- Resources for Parents
- Activities

Enjoy! We’ll be back next month with some new offerings.
